

ACHE – SouthEastTexasChapter: Top Credential Earned and New Members as of June 16, 2009

Below is a list of SETC Members who have become certified as FACHE (Fellows in the American College of Healthcare Executives), Members who have passed the Board of Governors exam, recertified Fellows, and new Members who have joined ACHE in this Chapter's southeast Texas region since January 1, 2009.

Fellow status represents achievement of the highest standard of professional development. In fact, only 7,500 healthcare executives hold this distinction. To obtain Fellow status, candidates must fulfill multiple requirements, including passing a comprehensive examination, meeting academic and experiential criteria, earning continuing education credits and demonstrating professional/community involvement. Fellows are also committed to ongoing professional development and undergo recertification every three years.

Please take a moment to congratulate your colleagues for their commitment to advancing their healthcare careers.
