1. The mentee took several appointments and then did not show up. I think there was more going in the life of the mentee and this may have downplayed mentorship as being of anything of value. Tue, Jan 12, 2010 4:42 PM
2. I thoroughly enjoyed my protégé and feel that I was able to provide her with valuable guidance and advice. Tue, Jan 12, 2010 10:33 AM
3. Protégé never returned calls or emails. Finally contacted me because he was looking for a job and wanted me to send resume to colleagues. Clearly he didn't understand the role of mentoring. Tue, Jan 12, 2010 9:22 AM
